MAYSVILLE, KY., THURSDAY, MARCH 1, 1900

Plumb Through!

hat I think, my man, our dividend e this busy world

Plumb

If you have got a brawny hand,
An' level head, you bet
There ain't no way o' cheatin' you
Of things you'd ought to get;
In all the prizes won by man
There ain't but very few
That can't be had by workin' hard
Clean

Through
'Tis courage gets the hoein' done,
An' digs the taters up,
An' earns the drop o' sweet to mix
With sorrow's bitter cup;
An' he's a fool who dassent hope,
Though chances be but tew,
An' slow he's made of filmsy stuff
Clean

Through!
io quit your seoldin' 'bout your fate
An' railin' round at luck,
int ketch a holt, an' get a grip
On reg'lar common pluck;
in' do with all your might an' main
The things you hev to do,
n' gril your teeth an' be a man
Clean

Miss Agnes Easton is confined by liness to her home on West Fourth

The Rev. J. W. Porter of the Firs Baptist Church is assisting in a reviva at Ludlow. The Oddfellows Lodge at Ripley netted \$61 at their recent performances of "The Private Secretary."

When children have earache, saturate a piece of cotton with Ballard's Snow Limment and piace it in the ear. It will stop the pain quickly. Price, 25 and 50 cents. J. Jas. Wood & Son.

Elder Joseph Severance has accepted a call to the Christian Church at Mays-lick, and will preach his opening ser-mon there next Sunday.

The many friends of Mr. Jacob Cab-lish, Jr., of Lee street will regret to learn that his cendition has not im-proved. He is suffering from a severe case of typhoid fever, and is very low.

case of typnoid fever, and is very low.

William Worthington was elected
Trustee to take charge of the estates of
Charles L. Mitchell and John L. Walker of Lexington, who have filed petitions in bankruptey as a firm and also
as individuals.

Mr. John Stitt of Orangeburg and Miss Mary Sedden were married last evening at the bride's home near Ber-nard, Rev. Robert H. Tollo editelating. The bride is a daughter of Mrs. He-cuba Sedden and formerly lived in this city, where she has many friends.

## LADYSMITHSAVED

Gen. Dundonald At Last Reaches the Long Besieged City, That Fact Being Announced.

### A LOSS AGGREGATING FOUR THOUSAND

This Was Sustained By the English In the Four Attempts Made To Reach Ladysmith.

e British Loss So Far Is 12,834, Vhich 2,319 Were Added During the Last Fortnight—This Does Not Include Buller's Loss.

London, March 1.-The war office has received the following dispatch from Gen. Buller:

"Lyttleton's Headquarters, March 1. :05 a. m.-Gen Dundonald, with

"The country between me and Lady-mith is reported clear of the enemy. I am now moving on Nelthorpe."

London, March 1.—Gen. Buller's dis-tinct success in storming Pieters hill brings the rescue of Ladynsinh near, but the war office intimated that an immediate amountement of relief need not be expected. As his message reveals, Gen. Buller's successful attack came after ...e hard fighting of Fri-day, and it was improvised and its ex-ceution begun during the armistice of

### TRUCE FOR A DAY.

After Severe Fightins.

London, March I.—Winston Churchill, in a dispatch from Colenso, dated
Tuesday, says: "The condition of the
wounded who were unattended on the
hillside Sunday was so painful that
Gen. Buller sent a flag of true to the
enemy, and it was arranged that
ments should continue on both sides,
but there should be ito shooting.
"This true terminated at dusk. The
Boers then resumed a furious musketry attack on the British left. The attack was repulsed. Fighting continues
vigorously, We shall see who can stand
bucketing' best, the Britton or the
Boer."

Boers Offer to Surrender.
London, March L.—A. special dispatch from Cape Town, dated Tuesday, says: "The Boers at Barkley East have offered to surrender on condition that the safety of the rebel Dutch is assured. The British, kowever, insist upon an unconditional surrender."

All quiet at Stormberg.

London, March 1.—According to a special dispatch from Cape Town, dated February 27, Lord Kitchener is at chrundel, the Boers are retiring to Norval's Point, and all is quiet at Stormberg.

Paardebe Boers are southeast. cheerful. erg, Feb. 28.—Evening.—The reported in force to the The British are, well and

Detroit, Mich, March I.—In the pas 24 hours lower Michigan has exper enced the most severe snow storm i many years. The fall in Detroit ha been 15 inches, and throughout the state runs from that figure to almos state runs from that figure to almos entirely. Street car traille in the smaller interior towns was abandone entirely. Street car traille in the smaller interior towns was abandone entirely, and then only by mos strenous efforts on, the part of the track officials.

week officials.

Incoming trains are from one to so hours late. Freight traile on mo of the roads was abundoned and a energies were directed toward keeing the tracks open sufficiently to put of mill and passenger trains.

The storm caused little or no sufficient, and the weekle weekle weekle weekle weekle weekle with the storm caused little or no sufficient, as the weather has not been a all severe.

Chicago Snow-Bound.
Chicago, March 1.—Chicago is snow
bound by the heaviest fail of snow
bound by the heaviest fail of snow
reau. In the 24 hours ending at midnight, 1,4-inches of snow fell, and the
effect was disastrons on travel and
traffic. Street ears were blockaded by
the huge drifts. Mails were delayed
stock trains stalled, business interfered with and many accidents caused
by the storm.

### JUSTICE DELAYED.

Difficulty in Getting News.
Berlin, slarch 1.—The difficulties nountered in Germany by newspaper correspondents in collecting news are illustrated by the proceedings in the trial of three municipal officials of Charlottenburg, charged with furnishing information to an editor regarding certain matters that had come officially to their knowledge. The outcome of the trial was the imposition of severe sentences upon all the accused.

Fire on Long Island.

Fire on Long Island.

New York, March 1.—Fire at Islip,
L. I., destroyed a block of buildings
on Main street comprising eight
stores, a livery stable, two barns and
a newspaper office. Loss, \$60,000. The
principal losers are Clock, Eastman &
Co., Harrison P, Smith and W. J.
Wheeler.

years ago.

Farm House Wrecked.

Waterloo, Ia, March L—A terrible
explosion at the farm house of Grainger his two young children so hally
that they will die. The explosion is
supposed to have resulted from a keg
of guspowder stored in the garret.

The public high school at Berryville, Mo., was destroyed by fire.

R. L. Grubbs, an insane prisoner in jail at Portsmouth, Va., set fire to the building and narrowly escaped being cremated.

cremated.

The body of a well-dressed man, aged about 25 years, was found in the Ohio river near Woodland Station, W. Va. There was nothing to identify the body.

Senator Spooner introduced a joint resolution for a commission to visit European commercial colleges, with a view of extending United States com-merce in Europe.

Telegraphic communication has been established between London and the sources of the Nile.\(^1\).

The news of the surrender of Gen. Fronje caused a general feeling of floom at 1 the Hugue.

Maj. Wm. Monaghan, additional paymaster, U. S. V., and Maj. Wm. Gilbert, U. S. A., have been ordered to proceed on the transport Thomas to Manila for duty there.

It is now a settled fact the Joe B. Williams lost twenty-one boats and the moky City lost four.

The E. R. Andrews, D. T. Lane and V. B. Calderwood, the Kanawha and thio Transportation Company's tow-oats, are laid up in the Kanawha on ecount of ice.

The towboats Jacob Riachman, J. M. Ritchman, Jack Frost, Polar Wave, Emma Cooper, J. Cooper, J. W. Bowles and Maggie Bell are doing a heavy tie und lumber business in the Tennessee and Cumberland rivers to Brooklyn.

Diver Vie Erhart, who has been at work recovering cotton and other freight from the hold of the sunken White Collar Line steamer State of Kansas, at New Madrid, Mo., arrived home Monday night, having been called there to go to work on the Henry M. Stanley, one of the other sunken steamers of the same line, and superintend the preparartity went to work on the Stanley yesterday Linti went to work on the Stanley yesterday Linti went to work on the Stanley yesterday Linti went to work on the Stanley and he and Diver Lawrence in the pump today. Much of the work of building a builkhead around the hole in the Stanley's hull has already been fine the Stanley's hull has already been fine.

owing to the congested condition of the Monongahela, Allegheny and Ohlo Monongahela, Allegheny and Ohlo Service of the Monongahela and the three rivers is imprended at Pittsburgh on account of the heavy ice. The poolboats and Monongahela river packets were forced to the bank, and several boats experienced a great deal of difficulty in reaching the bore to the Up. Rivermen asy that the present mass of lee is far worse than any of recent years. The streams are not frozen over, but the ice is just jamient together and remains stationary. Meanwhile the rivers are still falling, and the lee is not moving out. It will require a continuous rain to start the temoving, and until then there will be little activity along Pittsburghrivers.

Inthe activity along ritisourge rivers.

A telegram from Washington says:
Captain Dravo the Pittsburgh Coal
Exchange was at the Capitol today in
conference with Congressman Dalzell
and others relative to certain improvements to the avaigation of the Ohio
River. He said the avaigation of the Ohio
River. He said the secretary of the
control of the Capital Capital Capital
and bridges at Steabensville and
Ballaire, these bridges having been contermed by the War Department and
their reconstruction recommended. The
river men want the channel spans of the
bridges widened. It appears, however,
that the acts under which these bridges
were constructed did not require their
alteration at the company's expense, as

wible.

"Captain Dravo also called at the War
Department and filed a remonstrance
against the rebuilding of the Ft. Wayne
Railroad bridge across the Allegheny
river at Pittsburgh, unless it is built with
